

## ..2.0 Two Ducts Zero Outdoor Units

CODE	MODEL	DESCRIPTION	PRICE
CZMO08IB2II	..2.0 8 HP	Monobloc aircon without outdoor condensing unit - ON/OFF, R410a gas	€ 1 700,00
CZMO09IC3II	..2.0 MINI 9 HP DC Inverter	Monobloc aircon without outdoor condensing unit - DC INVERTER DUAL POWER with APP, R290 (PROPANE) gas	€ 2 050,00
CZMO10IC3II	..2.0 10 HP DC Inverter	Monobloc aircon without outdoor condensing unit - DC INVERTER DUAL POWER with APP, R410a gas	€ 2 050,00
CZMO12IC3II	..2.0 12 HP DC Inverter	Monobloc aircon without outdoor condensing unit - DC INVERTER DUAL POWER with APP, R410a gas	€ 2 200,00
CZMO15IC3II	..2.0 15 HP DC Inverter	Monobloc aircon without outdoor condensing unit, 200 mm holes - DC INVERTER DUAL POWER with APP, R32 gas	€ 2 400,00
CZMR12IC3II	..2.0 12 HP DC Inverter Elec	Monobloc aircon without outdoor condensing unit with electrical heater - DC INVERTER DUAL POWER with APP, R410a gas	€ 2 400,00

### ..2.0 Accessories

CODE	DESCRIPTION	PRICE
ECA031II	Wall mounting SMART TOUCH remote control with WIFI, black colour	€ 160,00
ECB031II	Wall mounting SMART TOUCH remote control with WIFI, white colour	€ 160,00
GB0738II	Kit n. 2 aluminium grills with fixed fins 160 mm for outdoor use	€ 60,00
GB1091II	Kit n. 2 aluminium grills with fixed fins 200 mm for outdoor use	€ 60,00
GB0739II	Kit n. 2 rain protections for 160 mm (to be fixed above fixed outdoor grills)	€ 100,00
GB0737II	Cover for lower side of ..2.0 ( in case of high wall installation) - standard versions	€ 50,00
GB1105II	Cover for lower side of ..2.0 ( in case of high wall installation) -only for ..2.0 MINI model	€ 50,00
GB0671II	Pre-installation kit ..2.0 holes 160 mm with: external flaps, flanges, template, support bracket, wall crossing pipes	€ 60,00
GB1092II	Pre-installation kit ..2.0 holes 200 mm with: external flaps, flanges, template, support bracket, wall crossing pipes	€ 60,00
GB0755II	Auxiliary kit for protection against insects, for 160 mm aluminum fixed grill -only for air intake hole	€ 50,00
GB0740II	Special kit for installation on glass walls	€ 180,00
GR0765II	Fresh air kit to renew indoor air on living rooms	€ 650,00
L00771II	Special "wall concealed" casing for angular external air outlet on RIGHT side (including additional fan)	€ 700,00
L00772II	Special "wall concealed" casing for angular external air outlet on LEFT side (including additional fan)	€ 700,00
COVA00I02II	Condensate Nebulizer to eliminate, with ..2.0, the need of drain pipe in winter mode.	€ 700,00
GB1104II	UV-C lamp only for ..2.0 12 HP (factory fitted)	€ 400,00

## ..2.0 Vertical, two Ducts Zero Outdoor Units

CODE	MODEL	DESCRIPTION	PRICE
COMV10IC3II	..2.0 Vert 10 HP DC Inverter	Monobloc vertical aircon without outdoor condensing unit - DC INVERTER DUAL POWER with APP	€ 2 500,00
COMV12IC3II	..2.0 Vert 12 HP DC Inverter	Monobloc vertical aircon without outdoor condensing unit - DC INVERTER DUAL POWER with APP	€ 2 700,00

### ..2.0 Vertical" accessories

CODE	DESCRIPTION	PRICE
ECA031II	SMART TOUCH electronic wall control panel with thermostat and room probe and WIFI, black colour	€ 160,00
ECB031II	SMART TOUCH electronic wall control panel with thermostat and room probe and WIFI, white colour	€ 160,00
GB0738II	Kit n. 2 aluminium grills with fixed fins 160 mm for outdoor use	€ 60,00
GB0739II	Kit n. 2 rain protections for 160 mm (to be fixed above fixed outdoor grills)	€ 100,00
GB0755II	Auxiliary kit for protection against insects, for 160 mm aluminum fixed grill -only for air intake hole	€ 50,00
COVA00I02II	Condensate Nebulizer to eliminate, with ..2.0 , the need of drain pipe in winter mode.	€ 700,00

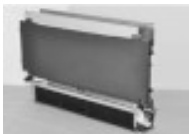

## ..2.0 FCU without outdoor condensing unit, with integrated fancoil

CODE	MODEL	DESCRIPTION	PRICE
CZFB08IB2II	..2.0 8 HP	Monobloc aircon without outdoor condensing unit to be coupled with FCU	€ 1 700,00
CZFB10IC3II	..2.0 10 HP DC Inverter	Monobloc aircon without outdoor condensing unit to be coupled with FCU with APP	€ 2 050,00
CZFB12IC3II	..2.0 12 HP DC Inverter	Monobloc aircon without outdoor condensing unit to be coupled with FCU with APP	€ 2 200,00
CZFC04IC2II	FCU	Convector to be integrated to any of ..2.0 shown above	€ 900,00

### ..2.0 FCU Accessories

CODE	DESCRIPTION	PRICE
ECA031II	SMART TOUCH electronic wall control panel with thermostat and room probe and WIFI, black colour	€ 160,00
ECB031II	SMART TOUCH electronic wall control panel with thermostat and room probe and WIFI, white colour	€ 160,00
GB0738II	Kit n. 2 aluminium grills with fixed fins 160 mm for outdoor use	€ 60,00
GB0739II	Kit n. 2 rain protections for 160 mm (to be fixed above fixed outdoor grills)	€ 100,00
GB0755II	Auxiliary kit for protection against insects, for 160 mm aluminum fixed grill -only for air intake hole	€ 50,00
COVA00I02II	Condensate Nebulizer to eliminate, with ..2.0 , the need of drain pipe in winter mode.	€ 700,00

## Price List 2021 - rev.00

### Airleaf DC Inverter fancoils: SLI built in 2 pipes

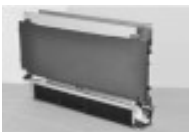

CODE	MODEL	DESCRIPTION	PRICE
FASI02001II	SLI 200	Built in DC Inverter fancoil for horizontal and vertical installation	€ 310,00
FASI04001II	SLI 400	Built in DC Inverter fancoil for horizontal and vertical installation	€ 350,00
FASI06001II	SLI 600	Built in DC Inverter fancoil for horizontal and vertical installation	€ 410,00
FASI08001II	SLI 800	Built in DC Inverter fancoil for horizontal and vertical installation	€ 480,00
FASI10001II	SLI 1000	Built in DC Inverter fancoil for horizontal and vertical installation	€ 530,00

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- For connections on the RIGHT (available on all models), extra cost for code BB0646II (see below description) will be added.

### Airleaf DC Inverter fancoils: SLI built in 4 pipes

CODE	MODEL	DESCRIPTION	PRICE
FA4I02001II	SLI 200 C 4 pipes	Built In DC Inverter fan coil for 4 pipes application with double coil	€ 435,00
FA4I04001II	SLI 400 C 4 pipes	Built In DC Inverter fan coil for 4 pipes application with double coil	€ 485,00
FA4I06001II	SLI 600 C 4 pipes	Built In DC Inverter fan coil for 4 pipes application with double coil	€ 545,00
FA4I08001II	SLI 800 C 4 pipes	Built In DC Inverter fan coil for 4 pipes application with double coil	€ 655,00
FA4I10001II	SLI 1000 C 4 pipes	Built In DC Inverter fan coil for 4 pipes application with double coil	€ 710,00

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- For connections on the RIGHT (available on all models), extra cost for code BB0646II (see below description) will be added.

### Airleaf DC Inverter fancoils: RSI built in 2 pipes with FRONT RADIATING EFFECT

CODE	MODEL	DESCRIPTION	PRICE
FASS02S01II	RSI 200	Built in DC Inverter fancoil for vertical installation WITH FRONT RADIATING EFFECT	€ 445,00
FASS04S01II	RSI 400	Built in DC Inverter fancoil for vertical installation WITH FRONT RADIATING EFFECT	€ 525,00
FASS06S01II	RSI 600	Built in DC Inverter fancoil for vertical installation WITH FRONT RADIATING EFFECT	€ 605,00
FASS08S01II	RSI 800	Built in DC Inverter fancoil for vertical installation WITH FRONT RADIATING EFFECT	€ 705,00
FASS10S01II	RSI 1000	Built in DC Inverter fancoil for vertical installation WITH FRONT RADIATING EFFECT	€ 795,00

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- For connections on the RIGHT (available on all models) extra cost for code BB0646II (see below description) will be added.

### Airleaf DC Inverter fancoils: SLSI (SHORT HEIGHT) built in 2 pipes

CODE	MODEL	DESCRIPTION	PRICE
FALI02S01II	SLSI 200	Built in DC Inverter, short height fancoil for vertical installation only	€ 435,00
FALI04S01II	SLSI 400	Built in DC Inverter, short height fancoil for vertical installation only	€ 475,00
FALI06S01II	SLSI 600	Built in DC Inverter, short height fancoil for vertical installation only	€ 555,00
FALI08S01II	SLSI 800	Built in DC Inverter, short height fancoil for vertical installation only	€ 635,00
FALI10S01II	SLSI 1000	Built in DC Inverter, short height fancoil for vertical installation only	€ 710,00

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- For connections on the RIGHT (available on all models) extra cost for code BB0646II (see below description) will be added.

### Airleaf DC Inverter fancoils: SL 2 pipes

CODE	MODEL	DESCRIPTION	PRICE
FASL02SC1II	SL200C	DC Inverter fan coil unit with sheet metal cabinet (white colour)	€ 435,00
FASL04SC1II	SL400C	DC Inverter fan coil unit with sheet metal cabinet (white colour)	€ 480,00
FASL06SC1II	SL600C	DC Inverter fan coil unit with sheet metal cabinet (white colour)	€ 560,00
FASL08SC1II	SL800C	DC Inverter fan coil unit with sheet metal cabinet (white colour)	€ 665,00
FASL10SC1II	SL1000C	DC Inverter fan coil unit with sheet metal cabinet (white colour)	€ 750,00

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- For "below the ceiling" horizontal installation, do foresee the need (see : Accessories) of the horizontal drain pan
- For special RAL colours: extra € 350 each manufacturing lot ( min 5 pcs).

### Airleaf DC Inverter fancoils: SL 4 pipes

CODE	MODEL	DESCRIPTION	PRICE
FA4L02SC1II	SL 200 C 4 pipes	DC Inverter fan coil unit with sheet metal cabinet for 4 pipes application with double coil (white colour)	€ 560,00
FA4L04SC1II	SL 400 C 4 pipes	DC Inverter fan coil unit with sheet metal cabinet for 4 pipes application with double coil (white colour)	€ 630,00
FA4L06SC1II	SL 600 C 4 pipes	DC Inverter fan coil unit with sheet metal cabinet for 4 pipes application with double coil (white colour)	€ 730,00
FA4L08SC1II	SL 800 C 4 pipes	DC Inverter fan coil unit with sheet metal cabinet for 4 pipes application with double coil (white colour)	€ 860,00
FA4L10SC1II	SL 1000 C 4 pipes	DC Inverter fan coil unit with sheet metal cabinet for 4 pipes application with double coil (white colour)	€ 930,00

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- For connections on the RIGHT (available on all models) extra cost for code BB0646II (see below description) will be added.
- For "below the ceiling" horizontal installation, do foresee the need (see : Accessories) of the horizontal drain pan
- For special RAL colours: extra € 350 each manufacturing lot ( min 5 pcs).

### Airleaf DC Inverter fancoils: SL 2 pipes FULL FLAT

CODE	MODEL	DESCRIPTION	PRICE
FAFL02SC1II	SL 200 C FULL FLAT	DC Inverter fan coil unit with sheet metal cabinet and motorized FULL FLAT front suction panel (white colour)	€ 500,00
FAFL04SC1II	SL 400 C FULL FLAT	DC Inverter fan coil unit with sheet metal cabinet and motorized FULL FLAT front suction panel (white colour)	€ 545,00
FAFL06SC1II	SL 600 C FULL FLAT	DC Inverter fan coil unit with sheet metal cabinet and motorized FULL FLAT front suction panel (white colour)	€ 610,00
FAFL08SC1II	SL 800 C FULL FLAT	DC Inverter fan coil unit with sheet metal cabinet and motorized FULL FLAT front suction panel (white colour)	€ 730,00
FAFL10SC1II	SL 1000 C FULL FLAT	DC Inverter fan coil unit with sheet metal cabinet and motorized FULL FLAT front suction panel (white colour)	€ 800,00

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- For connections on the RIGHT (available on all models) extra cost for code BB0646II (see below description) will be added.
- Only VERTICAL (wall) installation is allowed.
- For special RAL colours: extra € 350 each manufacturing lot ( min 5 pcs).

### Airleaf DC Inverter fancoils: SLS (reduced height) 2 pipes

CODE	MODEL	DESCRIPTION	PRICE
FALS02SC1II	SLS200C	DC Inverter reduced height fancoil ( 370 mm) with sheet metal cabinet (white colour) ONLY for vertical installation	€ 440,00
FALS04SC1II	SLS400C	DC Inverter reduced height fancoil ( 370 mm) with sheet metal cabinet (white colour) ONLY for vertical installation	€ 480,00
FALS06SC1II	SLS600C	DC Inverter reduced height fancoil ( 370 mm) with sheet metal cabinet (white colour) ONLY for vertical installation	€ 560,00
FALS08SC1II	SLS800C	DC Inverter reduced height fancoil ( 370 mm) with sheet metal cabinet (white colour) ONLY for vertical installation	€ 640,00
FALS10SC1II	SLS1000C	DC Inverter reduced height fancoil ( 370 mm) with sheet metal cabinet (white colour) ONLY for vertical installation	€ 720,00

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- For connections on the RIGHT (available on all models) extra cost for code BB0646II (see below description) will be added.
- Only VERTICAL (wall) installation is allowed.
- For special RAL colours: extra € 350 each manufacturing lot ( min 5 pcs).

**Airleaf DC Inverter fancoils: RS 2 pipes with FRONT RADIATING EFFECT**

CODE	MODEL	DESCRIPTION	PRICE
FARS02SC1II	AirLeaf RS 200 C	DC Inverter fan coil unit with sheet metal cabinet and FRONT RADIATING EFFECT (white colour)	€ 585,00
FARS04SC1II	AirLeaf RS 400 C	DC Inverter fan coil unit with sheet metal cabinet and FRONT RADIATING EFFECT (white colour)	€ 675,00
FARS06SC1II	AirLeaf RS 600 C	DC Inverter fan coil unit with sheet metal cabinet and FRONT RADIATING EFFECT (white colour)	€ 760,00
FARS08SC1II	AirLeaf RS 800 C	DC Inverter fan coil unit with sheet metal cabinet and FRONT RADIATING EFFECT (white colour)	€ 890,00
FARS10SC1II	AirLeaf RS 1000 C	DC Inverter fan coil unit with sheet metal cabinet and FRONT RADIATING EFFECT (white colour)	€ 1 010,00

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- For connections on the RIGHT (available on all models) extra cost for code BB0646II (see below description) will be added.
- Only VERTICAL (wall) installation is allowed.
- For special RAL colours: extra € 350 each manufacturing lot ( min 5 pcs).

**Airleaf DC Inverter fancoils: RS 2 pipes FULL FLAT with FRONT RADIATING EFFECT**

CODE	MODEL	DESCRIPTION	PRICE
FAFS02SC1II	AirLeaf RS 200 B FULL FLAT	DC Inverter fan coil unit with sheet metal cabinet, FRONT RADIATING EFFECT and motorized FULL FLAT front suction panel(white colour)	€ 650,00
FAFS04SC1II	AirLeaf RS 400 B FULL FLAT	DC Inverter fan coil unit with sheet metal cabinet, FRONT RADIATING EFFECT and motorized FULL FLAT front suction panel(white colour)	€ 740,00
FAFS06SC1II	AirLeaf RS 600 B FULL FLAT	DC Inverter fan coil unit with sheet metal cabinet, FRONT RADIATING EFFECT and motorized FULL FLAT front suction panel(white colour)	€ 820,00
FAFS08SC1II	AirLeaf RS 800 B FULL FLAT	DC Inverter fan coil unit with sheet metal cabinet, FRONT RADIATING EFFECT and motorized FULL FLAT front suction panel(white colour)	€ 970,00
FAFS10SC1II	AirLeaf RS 1000 B FULL FLAT	DC Inverter fan coil unit with sheet metal cabinet, FRONT RADIATING EFFECT and motorized FULL FLAT front suction panel(white colour)	€ 1 060,00

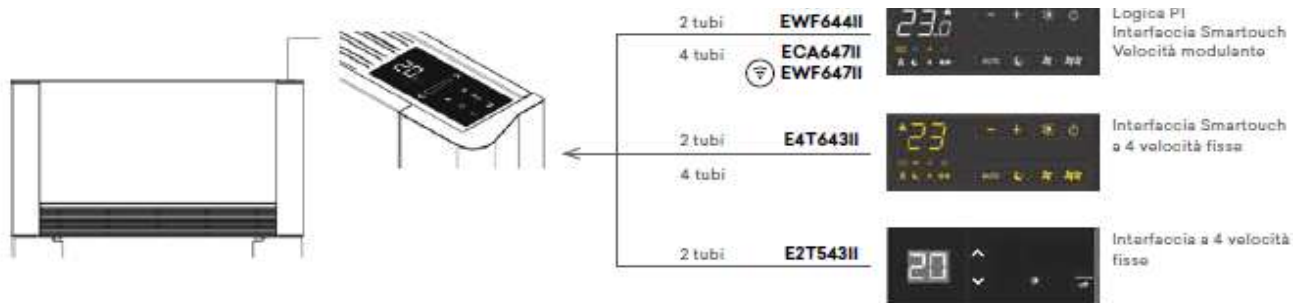

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- For connections on the RIGHT (available on all models) extra cost for code BB0646II (see below description) will be added.
- Only VERTICAL (wall) installation is allowed.
- For special RAL colours: extra € 350 each manufacturing lot ( min 5 pcs).

**CONTROLLI ELETTRONICI  
PER FANCOILS**

**Comandi bordo macchina**

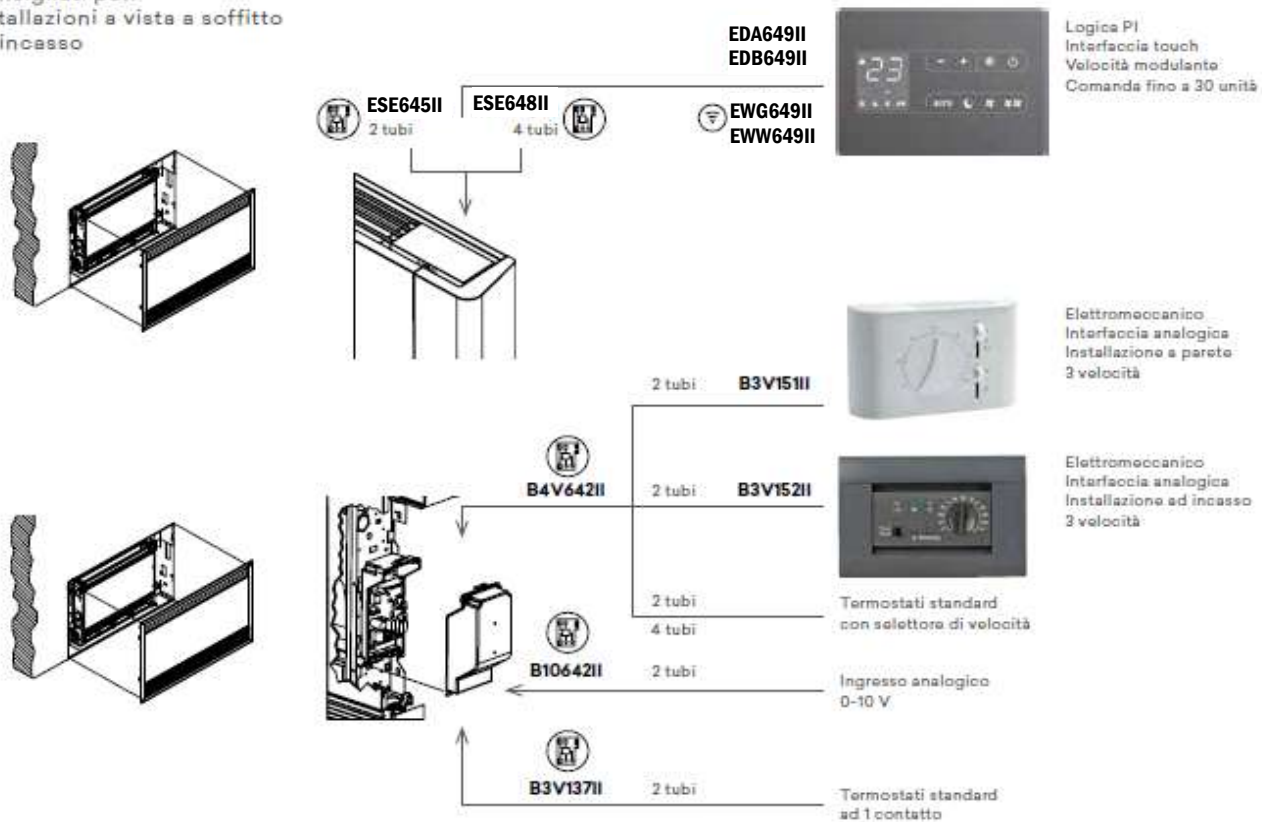

Consigliati per installazioni a vista verticali

ECA644II

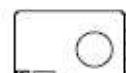

### Comandi remoti elettronici a muro

Consigliati per:  
installazioni a vista a soffitto  
ad incasso

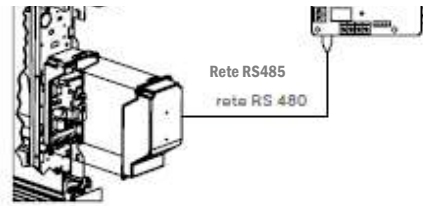

### Comandi di rete per motori DC Inverter

**BUTLER PRO**

Per telecontrollo e  
gestione rete fancoils

## Accessories for Airleaf fancoils

#### DESCRIPTION

On board electronic control SMART TOUCH with PID full modulating fan and thermostat (\*)

On board electronic control SMART TOUCH with PID full modulating fan, thermostat and WiFi module (\*)

On board electronic control SMART TOUCH 4 speeds with thermostat(\*)

On board electronic control 4 speeds with thermostat(\*)

On board electronic control TOUCH LCD with PID full modulating fan and thermostat (\*)

On board electronic control SMART TOUCH with PID full modulating fan, thermostat and WiFi module (\*)

On board electronic control LCD 4 speeds with thermostat(\*)

On board electronic control with PID full modulating fan for EDA649II-EDB649II-EWG649II-EWW649II wall mounted panel (\*)

SMART LCD wall controller with temperature probe (to be coupled with max 31 ESE645), black casing

SMART LCD wall controller with temperature probe (to be coupled with max 31 ESE645), white casing

SMART LCD wall controller with temp. probe (to be coupled with max 31 ESE645) and WiFi module, black casing

SMART LCD wall controller with temp. probe (to be coupled with max 31 ESE645) and WiFi module, white casing

Pojedynczy moduł do BUTLER

On board electronic control with PID full modulating fan for EDA649II-EDB649II-EWG649II-EWW649II wall mounted panel (\*)

SMART LCD wall controller with temperature probe (to be coupled with max 31 ESE648), black casing

SMART LCD wall controller with temperature probe (to be coupled with max 31 ESE648), white casing

SMART LCD wall controller with temp. probe (to be coupled with max 31 ESE648) and WiFi module, black casing

SMART LCD wall controller with temp. probe (to be coupled with max 31 ESE648) and WiFi module, white casing

Electronic on board control for connection with standard 3 speed wall thermostats, for 2 and 4 pipes (\*)

Electronic on board control with analogic connections 0-10V, for 2 pipes (\*)

On board 4 speeds control switch to be combine with standard thermostats (\*)

### Wall mounted thermostats with 4 speeds switch:

B3V151II	Wall mounted control with thermostat, summer/winter and speed selectors, to be coupled with B4V642II- for 2 pipes	€ 150,00
B3V152II	Concealed control with thermostat, summer/winter and speed selectors, to be coupled with B4V642II- for 2 pipes	€ 190,00
ESW544II	Centralised electronic board for remote control (BUTLER Web Server)	€ 650,00
BB0646II	Motor connection cable to shift water connections from left to right (*)	€ 25,00

(\*) Accessories that can be factory mounted without any extra cost

### Hydraulic groups

CODE	DESCRIPTION	PRICE
V20139II	2 way valve group (water inlet valve, shut off valve and electro thermal motor) (*)	€ 125,00
V20661II	2 way valve group (water inlet valve, shut off valve and electro thermal motor) for SLS models (*)	€ 200,00
V30361II	3 way valve group (with inlet 3 way valve, shut off valve, and electro thermal motor (*)	€ 155,00
V30662II	3 way valve group (water inlet valve, shut off valve and electro thermal motor) for SLS models (*)	€ 215,00
I20205II	2 way valve group with manual closure (*)	€ 55,00
I20705II	2 way valve group with manual closure for SLS models (*)	€ 65,00
V40219II	2 way hydraulic group for 4 pipe system (*)	€ 290,00
V60221II	3 way hydraulic group for 4 pipe system (*)	€ 400,00
AI0200II	Couple of EUROKONUS adapters for 1\2" female connection (male fittings)	€ 18,00
AI0201II	Couple of EUROKONUS adapters for 3/4" female connection (male fittings)	€ 18,00
AI0203II	90° bended EUROKONUS connector	€ 20,00
AI0501II	Distancer kit ( 1 piece)	€ 20,00
AI0612II	Adaptors for flat ring	€ 10,00

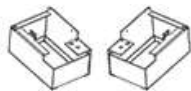

(\*) Accessories that can be factory mounted without any extra cost

## Special accessories for installation

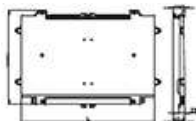

### Cover feet

CODE	DESCRIPTION	PRICE
LC0157II	Sheet metal feet to cover pipes from the floor (white colour)	€ 40,00

### Floor fixing feet

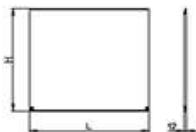

CODE	DESCRIPTION	PRICE
LC0605II	Sheet metal feet to fix FCU to the floor (white colour)	€ 70,00

### Condensate collector tray for horizontal installation, SL models

CODE	DESCRIPTION	PRICE
GB0520II	Condensate collector tray for SL 200 (2 and 4 pipe version) for ceiling installation (*)	€ 45,00
GB0521II	Condensate collector tray for SL 400 (2 and 4 pipe version) for ceiling installation (*)	€ 50,00
GB0522II	Condensate collector tray for SL 600 (2 and 4 pipe version) for ceiling installation (*)	€ 55,00
GB0523II	Condensate collector tray for SL 800 (2 and 4 pipe version) for ceiling installation (*)	€ 70,00
GB0524II	Condensate collector tray for SL 1000 (2 and 4 pipe version) for ceiling installation (*)	€ 75,00

(\*) Accessories that can be factory mounted without any extra cost

### Rear metal cover panel

CODE	DESCRIPTION	PRICE
LC0171II	Sheet metal white colour back panel for SL 200 (2 pipe unit)	€ 100,00
LC0173II	Sheet metal white colour back panel for SL 400 (2 pipe unit)	€ 105,00
LC0175II	Sheet metal white colour back panel for SL 600 (2 pipe unit)	€ 120,00
LC0177II	Sheet metal white colour back panel for SL 800 (2 pipe unit)	€ 130,00
LC0179II	Sheet metal white colour back panel for SL 1000 (2 pipe unit)	€ 140,00
LC0665II	Sheet metal white colour back panel for SLS 200 only	€ 130,00
LC0666II	Sheet metal white colour back panel for SLS 400 only	€ 135,00
LC0667II	Sheet metal white colour back panel for SLS 600 only	€ 150,00
LC0668II	Sheet metal white colour back panel for SLS 800 only	€ 160,00
LC0669II	Sheet metal white colour back panel for SLS 1000 only	€ 170,00
LC0181II	Sheet metal white colour back panel for SL 200 (4 pipe unit)	€ 115,00
LC0183II	Sheet metal white colour back panel for SL 400 (4 pipe unit)	€ 120,00
LC0185II	Sheet metal white colour back panel for SL 600 (4 pipe unit)	€ 150,00
LB0187II	Sheet metal white colour back panel for SL 800 (4 pipe unit)	€ 160,00
LB0189II	Sheet metal white colour back panel for SL 1000 (4 pipe unit)	€ 170,00

### Vertical casing cover

CODE	DESCRIPTION	PRICE
LC0578II	Casing cover panel with intake air grill for SLI 200 units (white colour)	€ 200,00
LC0579II	Casing cover panel with intake air grill for SLI 400 units (white colour)	€ 225,00
LC0580II	Casing cover panel with intake air grill for SLI 600 units (white colour)	€ 250,00
LC0581II	Casing cover panel with intake air grill for SLI 800 units (white colour)	€ 280,00
LC0582II	Casing cover panel with intake air grill for SLI 1000 units (white colour)	€ 310,00
LC0692II	Casing cover panel with intake air grill for SLSI 200 units (white colour)	€ 230,00
LC0693II	Casing cover panel with intake air grill for SLSI 400 units (white colour)	€ 255,00
LC0694II	Casing cover panel with intake air grill for SLSI 600 units (white colour)	€ 280,00
LC0695II	Casing cover panel with intake air grill for SLSI 800 units (white colour)	€ 310,00
LC0696II	Casing cover panel with intake air grill for SLSI 1000 units (white colour)	€ 350,00
LC1081II	Cover panel for vertical installation fully aligned with the wall, , SLI 200	€ 140,00
LC1082II	Cover panel for vertical installation fully aligned with the wall, SLI 400	€ 160,00
LC1083II	Cover panel for vertical installation fully aligned with the wall, SLI 600	€ 180,00
LC1084II	Cover panel for vertical installation fully aligned with the wall, SLI 800	€ 200,00
LC1085II	Cover panel for vertical installation fully aligned with the wall, SLI 1000	€ 220,00
LC1095II	Cover panel for vertical installation fully aligned with the wall, SLSI 200	€ 230,00
LC1096II	Cover panel for vertical installation fully aligned with the wall, SLSI 400	€ 255,00
LC1097II	Cover panel for vertical installation fully aligned with the wall, SLSI 600	€ 280,00
LC1098II	Cover panel for vertical installation fully aligned with the wall, SLSI 800	€ 310,00
LC1099II	Cover panel for vertical installation fully aligned with the wall, SLSI 1000	€ 350,00

### Ceiling casing cover

CODE	DESCRIPTION	PRICE
LC0618II	Ceiling casing cover panel with accessible air grill for SLI 200 units, horizontal installation (white colour) (*)	€ 200,00
LC0619II	Ceiling casing cover panel with accessible air grill for SLI 400 units, horizontal installation (white colour) (*)	€ 225,00
LC0620II	Ceiling casing cover panel with accessible air grill for SLI 600 units, horizontal installation (white colour) (*)	€ 250,00
LC0621II	Ceiling casing cover panel with accessible air grill for SLI 800 units, horizontal installation (white colour) (*)	€ 280,00
LC0622II	Ceiling casing cover panel with accessible air grill for SLI 1000 units, horizontal installation (white colour) (*)	€ 310,00
(*) To be foreseen, for installation, the use of a telescopic air flow duct and an air flow grill.		
LC1086II	Cover panel for horizontal installation fully aligned with the wall , SLI 200	€ 140,00
LC1087II	Cover panel for horizontal installation fully aligned with the wall, SLI 400	€ 160,00
LC1088II	Cover panel for horizontal installation fully aligned with the wall, SLI 600	€ 180,00
LC1089II	Cover panel for horizontal installation fully aligned with the wall, SLI 800	€ 200,00
LC1090II	Cover panel for horizontal installation fully aligned with the wall, SLI 1000	€ 220,00

## Price List 2021 - rev.00

### Filomuro DC Inverter, the high wall fancoil

CODE	MODEL	DESCRIPTION	PRICE
FAWS04DC1II-0Q00	SLW 400	High Wall fancoil with electronic onboard touchpad and remote control	640,00 €
FAWS04DC1II-0P00	SLW 400	High Wall fancoil with electronic modulating control onboard to be connected to remote wall control EDA649II	640,00 €
FAWS04DC1II-0T00	SLW 400	High Wall fancoil with electronic control onboard to be connected to standard 4 speed wall thermostats	640,00 €
FAWS04DC1II-0V00	SLW 400	High Wall fancoil with electronic control onboard for 0-10 V connection	640,00 €
FAWS06DC1II-0Q00	SLW 600	High Wall fancoil with electronic onboard touchpad and remote control	710,00 €
FAWS06DC1II-0P00	SLW 600	High Wall fancoil with electronic modulating control onboard to be connected to remote wall control EDA649II	710,00 €
FAWS06DC1II-0T00	SLW 600	High Wall fancoil with electronic control onboard to be connected to standard 4 speed wall thermostats	710,00 €
FAWS06DC1II-0V00	SLW 600	High Wall fancoil with electronic control onboard for 0-10 V connection	710,00 €
FAWS08DC1II-0Q00	SLW 800	High Wall fancoil with electronic onboard touchpad and remote control	780,00 €
FAWS08DC1II-0P00	SLW 800	High Wall fancoil with electronic modulating control onboard to be connected to remote wall control EDA649II	780,00 €
FAWS08DC1II-0T00	SLW 800	High Wall fancoil with electronic control onboard to be connected to standard 4 speed wall thermostats	780,00 €
FAWS08DC1II-0V00	SLW 800	High Wall fancoil with electronic control onboard for 0-10 V connection	780,00 €
<b>Filomuro XL</b>			
FAWL08DC1II-0Q00	SLW XL 800	DC Inverter fan coil unit for wall installation with autonomous electronic control on board and remote control	900,00 €
FAWL08DC1II-0P00	SLW XL 800	DC Inverter fan coil unit for wall installation with electronic board with continuous modulation for wall control connection	900,00 €
FAWL08DC1II-0T00	SLW XL 800	DC Inverter fan coil unit for wall installation with electronic board for connection to standard 4-speed thermostats.	900,00 €
FAWL08DC1II-0V00	SLW XL 800	DC Inverter fan coil unit for wall installation with electronic board for 0-10 V interface	900,00 €

### Accessory Filomuro/Filomuro XL

CODICE	DESCRIZIONE	PREZZO
EDA649II	SMART TOUCH electronic wall control panel with thermostat and room probe, black colour	€ 130,00
EDB649II	SMART TOUCH electronic wall control panel with thermostat and room probe, white colour	€ 130,00
EWG649II	SMART TOUCH electronic wall control panel with thermostat and room probe with integrated WiFi module, InnovAPP. Black colour	€ 160,00
EWW649II	SMART TOUCH electronic wall control panel with thermostat and room probe with integrated WiFi module, InnovAPP. White colour	€ 160,00
B3V151II	Wall mounted control with thermostat, summer/winter selector and speed selector. For 4 speed units	€ 150,00
B3V152II	Wall mounted control with thermostat, summer/winter selector and speed selector. For 4 speed units	€ 190,00
ESW544II	Centralised electronic board for remote control (BUTLER Web Server)	€ 650,00

### Hydraulic groups

CODE	DESCRIPTION	PRICE
V20687II	2 way valve group (water inlet valve, shut off valve and electro thermal motor) for SLW models (*)	€ 135,00
V30688II	3 way valve group (with inlet 3 way valve, shut off valve, and electro thermal motor) for SLW models (*)	€ 165,00
I20686II	2 way valve group with manual closure for SLW models (*)	€ 80,00
AI0200II	Couple of EUROKONUS adapters for 1\2" female connection (male fittings)	€ 18,00
AI0201II	Couple of EUROKONUS adapters for 3/4" female connection (male fittings)	€ 18,00
AI0203II	90° bended EUROKONUS connector	€ 20,00
AI0501II	Distancer kit ( 1 piece)	€ 20,00
AI0612II	Adaptors for flat ring	€ 10,00
BB0646II	LEFT hydraulic connections configuration	€ 25,00

(\*) Accessories that can be factory mounted without any extra cost, it is mandatory to install 2way or 3way valve

- Prices are for products without accessories (control panel, valves, etc.).
- On demand, some accessories (see following paragraphs) can be factory mounted without any extra cost.
- Standard connection is on the RIGHT side. For connections on the LEFT SIDE, do specify "S" as 7th digit upon ordering. Extra cost for code BB0646II (see description) will be added.

## Filomuro Built in

CODE	MODEL	DESCRIPTION	PRICE
<b>For connection with remote keyboard</b>			
FAWI04D01II-0P00	SLWI 400	Modulation fan speed. DC Inverter. On board electronic control with PID full modulating fan connected to EDA649- EDB649-EWG649-EWW649 wall mounted panel.	€ 540,00
FAWI06D01II-0P00	SLWI 600	Modulation fan speed. DC Inverter. On board electronic control with PID full modulating fan connected to EDA649- EDB649-EWG649-EWW649 wall mounted panel.	€ 600,00
FAWI08D01II -0P00	SLWI 800	Modulation fan speed. DC Inverter. On board electronic control with PID full modulating fan connected to EDA649- EDB649-EWG649-EWW649 wall mounted panel.	€ 680,00
<b>For connection with remote thermostat</b>			
FAWI04D01II-0T00	SLWI 400	Fixed fan speed. DC Inverter. On board electronic control for connection with standard 4 fixed speed wall thermostats.	€ 540,00
FAWI06D01II-0T00	SLWI 600	Fixed fan speed. DC Inverter. On board electronic control for connection with standard 4 fixed speed wall thermostats.	€ 600,00
FAWI08D01II -0T00	SLWI 800	Fixed fan speed. DC Inverter. On board electronic control for connection with standard 4 fixed speed wall thermostats.	€ 680,00
<b>For connection with 0-10 V</b>			
FAWI04D01II-0V00	SLWI 400	Modulation fan speed. DC Inverter. On board electronic control with 0-10V fan speed signal input.	€ 540,00
FAWI06D01II-0V00	SLWI 600	Modulation fan speed. DC Inverter. On board electronic control with 0-10V fan speed signal input.	€ 600,00
FAWI08D01II-0V00	SLWI 800	Modulation fan speed. DC Inverter. On board electronic control with 0-10V fan speed signal input.	€ 680,00

Prices are for products without accessories (control panel, valves, etc.).. 2-way or 3-way water valves are mandatory for the correct operation of the unit.

Upon request, the fan coils can be supplied with some factory-mounted accessories (see notes in the Accessories paragraphs) without any additional charge for assembly

SLWI models are produced with RIGHT hydraulic connection: for versions with LEFT hydraulic connections (available on all models) the seventh letter of the code is S (specify in the order). To the total price must be added the article BB0646II, i.e. the attachment shifting kit, and can only be mounted at the factory

### Filomuro Built in accessory

EDA649II

SMART TOUCH wall controller with temperature probe, black casing.

€ 130,00

EDB649II

SMART TOUCH wall controller with temperature probe, white casing

€ 130,00

EWG649II

SMART TOUCH wall controller with temperature probe and WIFI module, black casing.

€ 160,00

EWV649II

SMART TOUCH wall controller with temperature probe and WIFI module, white casing.

€ 160,00

B3V151II

Wall mounted control with thermostat, summer/winter and speed selectors, to be coupled with 4 speed units

€ 150,00

B3V152II

Concealed control with thermostat, summer/winter and speed selectors, to be coupled with 4 speed units

€ 190,00

ESW544II

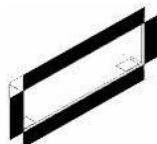

Centralised electronic board for remote control (BUTLER Web Server)

€ 650,00

BB0646II (1)

LEFT hydraulic connections configuration (motor connection cable for LEFT hydraulic connections)

€ 25,00

L01045II

Framework for fully aligned with the wall installation, SLWI 400

€ 120,00

L01046II

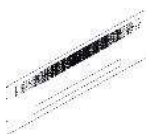

Framework for fully aligned with the wall installation, SLWI 600

€ 130,00

L01047II

Framework for fully aligned with the wall installation, SLWI 800

€ 160,00

LC1092II

Fully aligned with the wall cover panel, SLWI 400

€ 100,00

LC1093II

Fully aligned with the wall cover panel, SLWI 600

€ 115,00

LC1094II

Fully aligned with the wall cover panel, SLWI 800

€ 130,00

AI0200II

Couple of EUROKONUS adapters for 1/2" female connection (male fittings)

€ 18,00

AI0201II

Couple of EUROKONUS adapters for 3/4" female connection (male fittings)

€ 18,00

AI0203II

90° bended EUROKONUS connector

€ 20,00

AI0501II

Distancer kit ( 1 piece).

€ 20,00

AI0612II

Adaptors for flat ring

€ 10,00

I20686II (1)

2 way valve group with manual closure

€ 80,00

V20687II (1)

2 way valve group (water inlet valve, shut off valve and electro thermal motor)

€ 135,00

V30688II (1)

3 way valve group (with inlet 3 way valve, shut off valve, and electro thermal motor)

€ 165,00

(1) Accessories can be installed and tested at the factory

## Price List 2021 - rev.00

### FiloTerra DC Inverter, the trench installation fancoil

FAWF04DC1II-0P00	SLF 400	Floor installation fancoil with electronic modulating control onboard to be connected to remote wall control EDA649II	540,00 €
FAWF04DC1II-0L00	SLF 400	Floor installation fancoil with electronic control onboard to be connected to standard 4 speed wall thermostats	540,00 €
FAWF04DC1II-0J00	SLF 400	Floor installation fancoil with electronic control onboard for 0-10 V connection	540,00 €
FAWF06DC1II-0P00	SLF 600	Floor installation fancoil with electronic modulating control onboard to be connected to remote wall control EDA649II	600,00 €
FAWF06DC1II-0L00	SLF 600	Floor installation fancoil with electronic control onboard to be connected to standard 4 speed wall thermostats	600,00 €

## DUCTO

### Horizontal false ceiling installation fan coil unit with centrifugal fans.

#### For connection with remote keyboard

FASN04R01II-0P00	SLC 400	Modulation fan speed. DC Inverter. On board electronic control with PID full modulating fan connected to EDA/EDB749 - EWG/EWW749 (wall mounted panel).	€ 850,00
FASN06R01II-0P00	SLC 600	Modulation fan speed. DC Inverter. On board electronic control with PID full modulating fan connected to EDA/EDB749 - EWG/EWW749 (wall mounted panel).	€ 950,00
FASN08R01II-0P00	SLC 800	Modulation fan speed. DC Inverter. On board electronic control with PID full modulating fan connected to EDA/EDB749 - EWG/EWW749 (wall mounted panel).	€ 1 150,00
FASN10R01II-0P00	SLC 1000	Modulation fan speed. DC Inverter. On board electronic control with PID full modulating fan connected to EDA/EDB749 - EWG/EWW749 (wall mounted panel).	€ 1 250,00

#### For connection with 0-10 V

FASN04R01II-0J00	SLC 400	Modulation fan speed. DC Inverter. With 0-10V fanspeed signal input.	€ 680,00
FASN06R01II-0J00	SLC 600	Modulation fan speed. DC Inverter. With 0-10V fanspeed signal input.	€ 780,00
FASN08R01II-0J00	SLC 800	Modulation fan speed. DC Inverter. With 0-10V fanspeed signal input.	€ 1 000,00
FASN10R01II-0J00	SLC 1000	Modulation fan speed. DC Inverter. With 0-10V fanspeed signal input.	€ 1 150,00

ACCESSORIES SUPPLIED SEPARATELY

EDA749II

SMART TOUCH wall controller with temperature probe, black casing.

€ 130,00

EDB749II

SMART TOUCH wall controller with temperature probe, white casing.

€ 130,00

EWG749II

SMART TOUCH wall controller with temperature probe and WIFI module, black casing.

€ 160,00

EWW749II

SMART TOUCH wall controller with temperature probe and WIFI module, white casing.

€ 160,00

ESW544II

Centralised electronic board for remote control (BUTLER Web Server)

€ 650,00

GR1100II

Supply air outlet plate with 2 circular connections DN160 mm,SLC 400

€ 45,00

GR1101II

Supply air outlet plate with 3 circular connections DN160 mm, SLC 600

€ 60,00

GR1102II

Supply air outlet plate with 4 circular connections DN160 mm,SLC 800

€ 75,00

GR1103II

Supply air outlet plate with 6 circular connections DN160 mm,SLC 1000

€ 100,00

GR1104II

Intake air plate with 2 circular connections DN160 mm,SLC 400

€ 135,00

GR1105II

Intake air plate with 3 circular connections DN160 mm,SLC 600

€ 140,00

GR1106II

Intake air plate with 4 circular connections DN160 mm, SLC 800

€ 180,00

GR1107II

Intake air plate with 6 circular connections DN160 mm, SLC 1000

€ 190,00

V20718II

2 way valve group (water inlet valve, shut off valve and electro thermal motor)

€ 125,00

V30717II

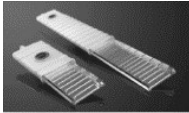

3 way valve group (with inlet 3 way valve, shut off valve, and electro thermal motor)

€ 155,00

## Price List 2021 - rev.00

### BEE - Building Energy Efficiency BEE The Heat Recovery System

CODE	MODEL	DESCRIPTION	PRICE
HR4006I00II	BEE 600	Heat Recovery System 600 mm	€ 700,00
HR4013I00II	BEE 1300	Heat Recovery System 1300 mm	€ 900,00
<b>Accessories BEE</b>			
GB0757II		Inspection cap for heat recovery system	€ 30,00

## Price List 2021 - rev.00

### BUTLER- Web server for plant control and remote management.

<b>CODICE</b>	<b>MODELLO</b>	<b>DESCRIZIONE</b>	<b>PREZZO</b>
ESW736II	BUTLER PRO TOUCH	Control board with 10" display	€ 1 250,00
ESW737II	BUTLER PRO	Control unit without display to be installed in the electrical cabinet	€ 800,00

#### Accessori BUTLER

L01063II		Pre-installation box - full aligned with the wall	€ 50,00
GR1128II		12 V DC feeder	€ 40,00
EG1028II		MZS, single zone module	€ 75,00
EP0642II		Energy monitor for monophas heat pumps	€ 150,00
EP0643II		Energy monitor for tri-phase heat pumps	€ 300,00
EDA649II		Wall control panel SMART TOUCH with thermostat and probe. BLACK colour.	€ 130,00
EDB649II		Wall control panel SMART TOUCH with thermostat and probe. WHITE colour.	€ 130,00

## Price List 2021 - rev.00

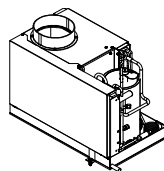

### ..2.0 H2O water to air monobloc aircon

CODE	MODEL	DESCRIPTION	PRICE
CZMW15IC3II	..2.0 H2O 15 HP DC Inverter	Monobloc water to air aircon - DC INVERTER DUAL POWER	€ 2 700,00

#### "..2.0 H2O" Accessories

CODE	DESCRIPTION	PRICE
ECA031II	SMART TOUCH electronic wall control panel with thermostat and room probe and WIFI, black colour	€ 160,00
ECB031II	SMART TOUCH electronic wall control panel with thermostat and room probe and WIFI, white colour	€ 160,00
GB1018II	Water source modulating valve kit	€ 380,00
GB0737II	Cover for lower side of ..2.0 ( in case of high wall installation)	€ 50,00
GB0740II	Special kit for installation on the floor	€ 180,00

### Water-Air AIR COMPACT

CODE	MODEL	DESCRIPTION	PRICE
CONR08I03II	4M (single phase)	Packaged water to air heat pump with DC inverter compressor, size 4M	€ 3 200,00
CONR12I03II	6M (single phase)	Packaged water to air heat pump with DC inverter compressor, size 6M	€ 3 800,00

#### Accessories

CODE	MODEL	DESCRIPTION	PRICE
ECA031II		SMART TOUCH electronic wall control panel with thermostat and room probe and WIFI, black colour	€ 160,00
ECB031II		SMART TOUCH electronic wall control panel with thermostat and room probe and WIFI, white colour	€ 160,00

### Chiller DC Inverter

#### Monobloc DC Inverter chiller for indoor installation

CODE	MODEL	DESCRIPTION	PRICE
REC105IC3II	in.CH 5M (single phase)	Water chiller DC Inverter with evaporative condensation for indoor installation	€ 8 000,00
REC107IC3II	in.CH 7M (single phase)	Water chiller DC Inverter with evaporative condensation for indoor installation	€ 9 000,00
REC110IC3II	in.CH 10M (single phase)	Water chiller DC Inverter with evaporative condensation for indoor installation	€ 10 000,00
REC110IC5II	in.CH 10T (three phase)	Water chiller DC Inverter with evaporative condensation for indoor installation	€ 10 000,00

#### Accessories for in.CH Chillers

CODE	DESCRIPTION	PRICE
AI0334II	Flexible ducts for wall installation	€ 120,00
